

SAN DIEGO

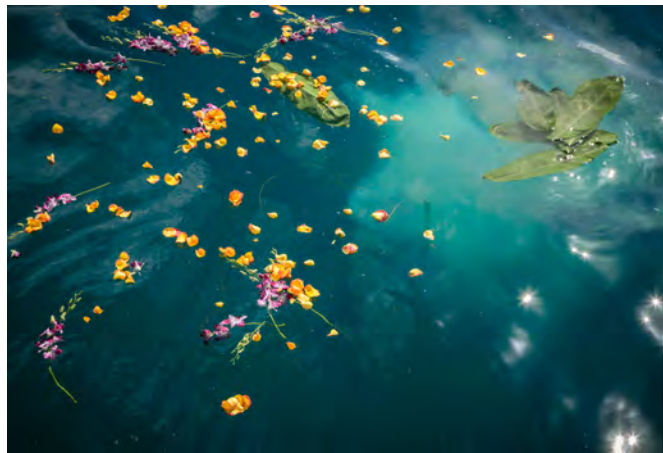

MISSION BAY

Our dignified memorial yacht service offers a serene passage past the serene shores of Mission Beach, Pacific Beach, and the awe-inspiring Sunset Cliffs.

As you journey amidst the splendor of the sea, our vessel stands ready, equipped with modern amenities such as a Bluetooth stereo for playing heartfelt melodies, a clean and accessible restroom, and refreshing waters to comfort you and your guests.

Our service includes the use of a specially designed Lowng Basket, which provides a dignified manner to lower your loved one's ashes into the sea.

This meaningful gesture allows for a gentle farewell amidst the calming waves. With our years of experience in memorial services, we are committed to working with you to honor the unique life of your loved one. Trust in us to help you create a simple, yet beautiful ceremony that resonates with love and cherished memories.
