

VIEW FROM THE SHORE MEMORIAL SERVICE

Affordable & Meaningful Participation

In this tough economy, even though most families desire to be present on the Boat for a Memorial Service at Sea, we are finding that many cannot afford it and are either opting for unattended or are putting the Urn on the shelf.

An affordable alternative is available – View the scattering of ashes at Sea from a location near the shore at a time and date convenient to you.

- Flexible dates and times to suit your needs – weekends or weekdays
- Several locations available at well-known landmarks in San Diego, including but not limited to: Hotel del Coronado, Point Loma Lighthouse, Sunset Cliffs, Crystal Pier. The best viewing is at the Crystal Pier because the pier stretches past the legal distance required for scattering ashes at sea.
- Rose petals are included
- We can also have some people on the boat and other on the shore for an additional cost.

- Ask us about our Biodegradable Urns and Wreaths.

*Any number of people,
one low price - \$545.00*
